VEDASHRI PRABHAKAR GAVALI

ASPIRING FULL-STACK SOFTWARE ENGINEER • ELECTRONICS & VLSI ENGINEERING

+91-8010132230 • vedashrigavali500@gmail.com • Chhatrapati Sambhajinagar, MH, India • linkedin.com/in/vedashri-gavali

PROFESSIONAL SUMMARY

Final-year Electronics Engineering student specializing in VLSI Design & Technology, backed by a foundational Diploma in Computer Technology. Possesses a solid computer science and programming foundation across Core Java, OOPs, Spring Boot, SQL, HTML5, CSS3, JavaScript, and full-stack web architectures. Hands-on experience gained through academic projects and industry internships in frontend development, Java software development, responsive UI engineering, IoT solutions, and database management. Eager to contribute technical acumen and problem-solving skills to real-world IT and software engineering teams.

EDUCATION

B. Tech in Electronics Engineering (VLSI Design & Technology)
CSMSS Chhatrapati Shahu College of Engineering — 2024 – 2027
CGPA: 8.35 / 10.0

Diploma in Computer Technology
K. K. Wagh College of Polytechnic — 2022 – 2024
Score: 73.49%

TECHNICAL & CORE COMPETENCIES

Core Competencies: Core Java, HTML5, CSS3, Object-Oriented Programming (OOPs), Java Fundamentals, Full Stack Development, Frontend Development, Backend Development, SQL & Database, CRUD Operations, Responsive Web Design, Problem Solving

Technical Tools: VS Code, Blynk IoT Platform, Power BI, Git, Spring Boot, MySQL

Soft Skills: Analytical Problem Solving, Team Collaboration, Communication, Adaptability, Quick Learning, Time Management, Attention to Detail

Languages Known: Highly proficient in Hindi, English, and Marathi ensuring seamless diverse client interaction.

ACADEMIC & PROFESSIONAL PROJECTS

1) Student Course Management System – Java Full Stack Application
Core Java, OOPs, Spring Boot, REST APIs, SQL, MySQL, HTML5, CSS3, JavaScript, React.js
- Engineered an end-to-end full-stack web application to manage student enrollments, course catalogs, grade tracking, and instructor assignments with secured REST endpoints.
- Crafted responsive user interfaces in React.js and orchestrated normalized database schema CRUD operations in MySQL.

2) Alumni Management System – Web-Based Platform
HTML, CSS, JavaScript, Python, MySQL
- Developed a web-based platform for managing alumni profiles, networking directories, alumni events, and student career opportunities.
- Scripted backend data routing with Python and structured persistence layers with MySQL databases.

3) Krishi Connect – AgriTech Full-Stack Web Platform
HTML, CSS, JavaScript, Python, MySQL
- Developed a full-stack platform connecting farmers with agricultural resources, governmental advisories, market prices, and farming services.
- Constructed intuitive multilingual-ready UI structured for accessible farmer interaction.

INTERNSHIPS & PRACTICAL TRAINING

1) Full Stack Development (MERN) Trainee
ABC Training Institute • Currently Pursuing
Intensive training in full-stack web engineering with MongoDB, Express.js, React.js, and Node.js.

2) Web Development Intern
Caliber Infotech • Diploma Internship
Practical experience in responsive website development, UI components, and modern frontend technologies.

3) Java Intern
Codec Technologies • Online Internship
Hands-on application of Core Java programming, object-oriented principles, and algorithmic problem-solving.

4) Python Intern
Skill Dzire • Online Internship
Practical training in foundational Python programming, data manipulation, and computational problem-solving.

CERTIFICATIONS & ACHIEVEMENTS

- **NPTEL – Java Programming** Silver+Elite | 86%
- **NPTEL – IoT** Silver+Elite | 86%
- **Udemy** – Power BI Certification
- **Poster Competition** – 2nd Prize & Memento
- **Generative AI** – Workshop Certificate
- **Simplilearn** – HTML & CSS Certification
- **Virtual Vista & IETE** – Participation
- **Coding Competition** – Participation
- **Student Club** – Technical Team Member
